# Agreement Concerning the Student Government of Sweet Briar College

---

## *Our Petition.*

The students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative and executive control in certain matters. We ask:

### I.

Right to control quiet and promptness in all places about the buildings and campus that are not under the immediate control of a member of the Faculty.

### II.

Right to control the outdoor exercise of the students.

III.

Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.

IV.

Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

---

*Faculty's Reply.*

The Faculty of Sweet Briar College endorses most cordially the desire of the student body to assume responsibility for the conduct of individual students in non-academic matters. Therefore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition—said constitution to be submitted to the Faculty for endorsement.

## **Preamble**

Whereas, We, the students of Sweet Briar College, desire to assume individual and community responsibility for the conduct of the students in matters not strictly academic, and whereas we believe that there is dignity and honor in student government, we do hereby, in accordance with the agreement between the Faculty and students, organize ourselves into an association.
